

To RFP Bidders and Other Interested Parties:

The purpose of this notice is to address insurance requirements identified in the RFP – Consultant For Professional Services. The insurance requirements for the RFP are identified on page 9, Section IV – General Conditions, Item B – Insurance. After further research on this topic, SASSFA is changing insurance requirements as follows:

1. General Liability Insurance – bidders will not be required to have this category of insurance in place.
2. Automobile Liability Insurance – bidders are only required to have proof of automobile insurance at the levels required to meet the standard State of California automobile insurance requirements.
3. Professional Liability Insurance – insurance levels and requirements for this category of insurance will be determined on a case by case basis during final contract negotiations with the successful bidder.

Please note, for bidders who submitted proposals before the initial deadline, if this new information regarding insurance requirements does not impact your bid(s) price, you do not need to resubmit another bid. SASSFA will continue accepting proposals until Monday, December 5, 2011 at 5:00 p.m.
